3RD-6TH GRADE – WEEK 2

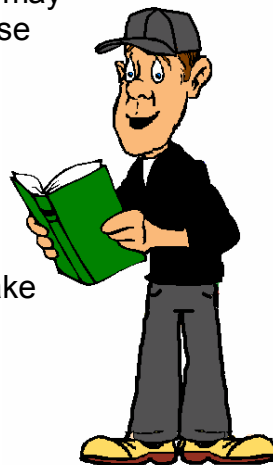

STEP 1

KEY VERSE

WORRY

Clues in an escape room are not as simple as “look inside the white box next to the trash can.” You often have to think about them to figure them out. A person in an escape room might worry that they won’t be able to figure out a clue or escape from the room in time. They may worry that they will mess up and others will be mad at them. Don’t let worry take away your fun!

Christians also worry about things in their life. They may worry because their parent loses their job, or because someone they know is very sick. They may worry if others like them or if they are going to make the baseball team or get a good grade. Escape from worry by trusting in God’s perfect plan for your life. Nothing surprises God! He already knows what will happen to you tomorrow! Instead of worrying, trust that God has it all under control. God promises to take care of you! Don’t let worry steal your joy.

Say this verse to your parent.
